c) How to reach Europe Convention Center

- Arriving by car (from the North or East). One should leave the highway at the Foronda Airport exit towards Vitoria-Gasteiz downtown, take the Foronda Gate (atea, portal) then, at the roundabout, go through the short Honduras street (kale, calle) and then you should be at Gasteiz Av. There are no parking taxes (OTA) in that area.

- Arriving by bus from Bilbao. Get down in the second stop, at Adriano VI st.

- Arriving to the Vitoria-Gasteiz bus station, one can walk across the old quarter (which is on a hill and is full of small irregular streets which make orientation difficult) or go around it. The walk should take some 20 minutes however. There are regular bus services from the other Basque capitals, as well as several Spanish or other European cities like Madrid, Zurich, Barcelona, etc.
